LFT WebQuest (Yes, You Have To Find Your Own Websites)

Research Denial as a Defense Mechanism, and write down the NAME of the websites you use. Not the URL, just the name.

Answer the Following Questions, and Two Sentences unless otherwise stated

1. What is denial in psychological terms?
2. How severe can it get?
3. What is the worst case of denial you have personally seen?
4. Do you believe that is a healthy or effective defense mechanism?
5. Do you see any way it could ever be a useful defense mechanism for someone to have?
6. Is there anything you can think of that relies upon denial to achieve its goals?
7. How often do people fail do you think because they are “in denial?”
